Chapter 1.

AN: Special fangz (get it, coz Im goffik) 2 my bf (ew not in that way) warriorofdarknezz666 4 helpin me wif da story and spelling. U rok!! MCR ROX!

Hi my name is Gaia Ebony
Dark'ness Dementia Raven
Way and I have long ebony
black hair (that's how I got
my name) that reaches my
mid-back and icy blue eyes
like limpid tears and a lot
of people tell me I look like
Amy Lee (AN: if u don't know
who she is get da hell out
of here!). I'm not related to

Gerard Way but I wish I was because he's a major fucking hottie. I'm the Oracle of Darkness but my teeth are straight and white. I have pale white skin. I'm also a witch, and I qo to a magic school called Eden in The First. I'm a goth (in case you couldn't tell) and I wear mostly black. I love Hot Topic and I buy all my clothes from there. For example today I was wearing a black short dress with thigh high stockings and knee high boots, and a belted black coat. I was wearing black lipstick, white foundation, black eyeliner and black eyeshadow. I was walking outside Eden. It was snowing so there was no sun, which I was very happy about. A lot of preps like Urianger and Thancred stared at me. I put up my middle finger at them.

"Hey Gaia!" shouted a voice. I looked up. It was.... Ryne!

"What's up Ryne?" I asked.

"Nothing." she said shyly.

But then, I heard my friend the demon inside my head call me and I had to go away.

AN: IS it good? PLZ tell me fangz!

Chapter 2.

AN: Fangz 2 warriorofdarknezz666 4 helpin me wif da chapta! BTW preps stop flaming ma story ok!

The next day I woke up in my bedroom. It was snowing again. I opened the door of my coffin and drank some blood from a bottle I had. My coffin was black ebony and inside it was hot pink velvet with black lace on the ends. I got out of my coffin and took of my giant MCR t-shirt which I used for pajamas. Instead, I put on a black leather dress, a pentagram necklace, combat

boots and black fishnets on. I put on four pairs of earrings in my pierced ears, and put my hair in a kind of messy bun.

My friend, Metoer (AN: warriorofdarknezz666 dis is u!) woke up then and grinned at me. He flipped his angsty black hair and opened his oceanblue eyes.

"OMFG, I saw you talking to Ryne yesterday!" he said excitedly.

"Yeah? So?" I said, blushing.

"Do you like Ryne" he asked as we went out of the Eden control room and into the Empty.

"No I so fucking don't!" I shouted.

"Yeah right!" he exclaimed. Just then, Ryne walked up to me.

"Hi." she said.

"Hi." I replied flirtily.
"Guess what." she said.

"What?" I asked.

"Well, Good Charlotte are having a concert in the Crystarium." she told me.

"Oh. My. Fucking. God!" I

screamed. I love GC. They are my favorite band, besides MCR.

"Well.... do you want to go with me?" she asked.

I gasped.

Chapter 3.

AN: STOP FLAMMING DA STORY PREPZ OK! odderwize fangs 2 da goffik ppl 4 da good reveiws! FANGS AGEN WARRIOROFDARKNEZZ666! oh yeah, BTW I don't own dis or da lyrics 4 Good Chralotte.

On the night of the concert I put on my black lace-up boots with high heels. Underneath them were ripped black fishnets. Then I put on a black leather minidres's with all this corset stuff on the back and front. I put on matching fishnet on my arms. I straightened my hair and made it look all spiky. I read a depressing book and I listened to some GC. I painted my nails black and put on TONS of black eyeliner. Then I put on some black lipstick. I didn't put on foundation because I was pale anyway. I drank some human blood so I was ready to go to the concert.

I went outside. Ryne was waiting there in front of her flying car. She was wearing a Simple Plan t-shirt (they would play at the show too), pink lace, pink nail polish and a little eyeliner (AN: A lot fo kewl girlz wer it ok!).

"Hi Ryne!" I said in a depressed voice.

"Hi Gaia." she said back. We walked into her flying Mercedes-Benz (the license plate said 666) and flew to the place with the concert. On the way we listened excitedly to Good Charlotte and Marilyn Manson. We both smoked cigarettes and drugs. When we got there, we both hopped out of the car. We went to the mosh pit at the front of the stage and jumped up and down as we listened to Good Charlotte.

"Joel is so fucking hot." I said to Ryne, pointing to him as he sung, filling the club with his amazing voice.

Suddenly Ryne looked sad.

"What's wrong?" I asked as we moshed to the music. Then I caught on.

"Hey, it's ok I don't like him better than YOU!" I said.

"You come in cold, you're covered in blood They're all so happy you've arrived The doctor cuts your cord, hands you to your mom She sets you free into this life."

sang Joel (I don't own da lyrics 2 dat song).

"Really?" asked Ryne sensitively and she put his arm around me all protective. "Really." I said. "Besides I don't even know Joel and he's going out with Hilary fucking Duff. I fucking hate that little bitch." I said disgustedly, thinking of her ugly blonde face.

The night went on really well, and I had a great time. So did Ryne. After the concert,

Chapter 4.

AN: I sed stup flaming ok gaia's name is GIAA nut mary su OK!RYNE IS SOO IN LUV wif her dat she is acting defrent! dey nu eechodder b4 ok!

"RYNE!" I shouted. "What the fuck do you think you are doing?"

Ryne didn't answer but she stopped the flying car and he walked out of it. I walked out of it too, curiously.

"What the fucking hell?" I asked angrily.

"Gaia?" she asked.

"What?" I snapped.

Ryne leaned in extra-close and I looked into her gothic red eyes (she was wearing color contacts) which revealed so much depressing sorrow and evilness and then suddenly I didn't feel mad anymore.

And then.....
